Summary of issue/concern: *

Our students have been loud and clear in their ask that police be removed from schools, and if this school board is serious about its commitments to equity and inclusion, it will take this report and these asks seriously.

The community and our students deserve a space to learn that is free from policing and criminalization.

Recommendation(s) for resolution of issue: *

I am asking that you end the SRO programs in all OCDSB schools here in the city. I also urge you to follow through on the recommendations laid out by the report put together by the Asilu collective (you can read that report here: <https://asilucollective.webflow.io/report>)

I would like to see transparency and regular public follow ups on how the board will be implementing these recommendations over the coming months.

Thank you for your time,
