**Summary of issue/concern: \***

Please accept this as my written statement for this evenings meeting.

I understand that this evening the OCDSB Trustees will be deciding on the continuation of the school boards participation in the SRO program. I would like to express my concern regarding the SRO program. The SRO program contributes to a systemic issue of oppression that marginalized students within your school board and across the country have been facing. You cannot provide equitable education for these students while denying them the right to an education without policing.

**Recommendation(s) for resolution of issue: \***

End OCDSB's SRO Program

Revise all relevant contractual commitments and policies to limit police involvement at all OCDSB schools to only what is provincially mandated
