Dear Ms. Mallan,

I would like to re-nominate Ian Morris as the SEAC member, and Sean Popal as the alternative member, representing the Ontario Association for Families of Children with Communication Disorders (OAFCCD) for the 2018-2022 term.

I have attached a brief biography for Ian and Sean.

OAFCCD is committed to working with the provincial government, school boards and community agencies to ensure that children with communication disorders get the services and supports that they need.

If you require any further information about the organization, please call me at (519)290-1763. I hope that you are able to accept this change in representation and I look forward to our two organizations working together to provide quality education to all students.
