Please provide a brief summary of main points for the issue/concern: *

As a representative of the Jewish Federation of Ottawa, I would like to speak to ongoing concerns about the level of antisemitism in the OCDSB, and the dangerous lack of understanding of the subject.

The Committee is aware of issues as they were raised in the fall, the many personal stories from students and parents. I'd like to update on what we view as progress made with the board this year in a number of areas, and express our concerns about the current environment. We are hearing from a lot of worried parents and staff.

Recommendation(s) for resolution of issue: *

My intervention will be focused on expanding awareness of how serious antisemitism has become as a concern in 2022.

The overarching goal is increasing OCDSB prioritization of this issue.

Specific recommendations will include:

*antisemitism education for Trustees, senior admin, and EDI staff

*mandatory PD on antisemitism

*increased resources on antisemitism and Jewish culture and history; and increased opportunities for students to learn about them
