

Sharmeen Charania– Planning for Return to School – 9 July 2020

Dear Members,

My name is Sharmeen charania and I am seeking permission to attend the board meeting on July 9th. My son will be starting Jr Kg in Fall 2020 and while that in itself is very nerve racking, the covid situation is adding multiple complexities to the discussion.

I would like to attend to hear what the discussion are around starting school in September and want to represent a voice for parents of children who will be experiencing school for the first time.

Thank you for your consideration,

Kind regards,

Sharmeen Charania
