

OTTAWA-CARLETON
DISTRICT SCHOOL BOARD

Delegation

Name: Diana Ralph

Summary of main points for the issue/ concern:

As a Jew, I urge that any action re antisemitism also include all other forms of racism, including anti -Black, anti -Palestinian, and other forms of racism. To limit this motion solely to Jewish Equity risks conflating criticism of Israel with antisemitism and thereby setting up Palestinians and their supporters for attack.

Recommendation(s) for resolution of issue:

Broaden the " Jewish Equity Coach" motion to include coaching against all forms of racism, and not privileging just anti-Jewish racism
