

OTTAWA-CARLETON  
DISTRICT SCHOOL BOARD

# Delegation

---

**Name: Yasmen Abuzaid**

**Brief summary of issue or topic of discussion:**

As an Arab Muslim woman, I know first hand how much someone like an equity coach could have helped me be confident in my identity when I was a student. As an educator, I have students come to me with advocacy issues because I look like they do. I'm not always able to help them, but I wish I had someone else to direct them to.
