

OTTAWA-CARLETON  
DISTRICT SCHOOL BOARD

## Delegation 6.8.a

---

**Name: Laura D'Angelo**

**Brief summary of issue or topic of discussion:**

Concerned parents from Westboro whose children attend or should attend Broadview Public School will come to express profound concerns over the proposed elementary school boundary changes. These changes will see siblings split and sent to different schools, students forced to go to schools multiple communities and neighbourhoods away from where they live, and leave parents with impossible choices.
