DISTRICT SCHOOL BOARD

8.2 Delegation

Name: David Handelman

Brief summary of issue or topic of discussion:

Jewish students in the OCDSB continue to experience anti- Semitic harassment, targeting, isolation, microaggressions and being marginalized and excluded on a daily basis. Based on the OCDSB' s Human Rights policy, this constitutes a Poisoned Environment for Jews in OCDSB schools and the Board has a Positive Obligation to protect Jewish children within the District.
