1. What information or services would you like to be able to access on the OCDSB parent portal?
2. Where do you currently go to get information pertaining to your children's education?
3. What features of the OCDSB mobile app are useful?
What other features or functionality would enhance the usability of the app?
4. Are there any processes you would like to see moved from paper to online? (eg. field trip forms, attendance reporting, interview sign up etc)
