

Provincial and Demonstration Schools in Ontario

Purpose of the Standard

To provide the public with information about the Provincial and Demonstration Schools that are operated for students who are Deaf, blind, or Deafblind, or who have severe learning disabilities, which may include attention-deficit hyperactivity disorder (ADHD)

Provincial/Demonstration Schools

Provincial Schools and Provincial Demonstration Schools are operated by the Ministry of Education and are accessed through an application process that is initiated collaboratively between parents and the student's school. Provincial and Demonstration Schools provide alternative education placement and educational supports for students who are Deaf, blind, Deafblind or who have severe learning disabilities. Admittance to a Provincial School is determined by the Provincial Schools Admission Committee in accordance with the requirements set out in Regulation 296.

Provincial Schools provide residential and day programs. Transportation to Provincial Schools for students is provided by school boards.

All students attending either a Provincial or Demonstration school require an Identification Placement and Review Committee (IPRC) meeting conducted at the student's home school in the OCDSB. Programs at provincial schools are tailored to the needs of the individual students and:

- are delivered by specially-trained teachers;
- follow the Ontario curriculum and alternative expectations as outlined in the Individual Education Plans (IEP);
- offer a full range of programs at both elementary and secondary level

In addition, these schools:

- serve as regional resource centres for students who are Deaf, blind, or Deafblind;
- provide outreach and home visits to preschool for students who are Deaf or Deafblind;
- develop and provide learning materials and media for students who are Deaf or hard of hearing, blind or have low vision, or are Deafblind;
- provide school board staff with resource service; and,
- play a valuable role in teacher training

Provincial Demonstration Schools

The Provincial Demonstration schools provide a specialized residential program for students with severe learning disabilities. The length of stay at a Provincial Demonstration School is typically one year in a highly specialized and resourced special program. It should be noted that the primary responsibility to provide appropriate educational programs for students with learning disabilities remains with school boards. Since Provincial Demonstrations Schools are to act as a resource to school boards rather than to function as a separate education system, every effort is made to help the student return to the school in their local community as soon as possible. Transition planning with the community school board is key to this process.

Each provincial demonstration school has an enrolment of no more than forty students. The language of instruction at the Amethyst, Sagonaska, and Trillium schools is English; at Centre Jules-Léger, instruction is in French.
