## **1.0 OBJECTIVE**

To set out the principles that will govern the development and implementation of fair, consistent, transparent and equitable practice for the recruitment, hiring and promotion for all positions within the Ottawa-Carleton District School Board (OCDSB) that will result in a qualified and diverse workforce with the knowledge, skills, and attributes needed to ensure all students reach their full potential, regardless of their background or social identity.

## **2.0 DEFINITIONS**

In this policy,

- 2.1.    **Board** means the Board of Trustees.
- 2.2.    **District** means the Ottawa-Carleton District School Board (OCDSB).
- 2.3.    **Diversity** refers to the presence of a wide range of human qualities and attributes within a group, organization, or society. The dimensions of diversity include, but are not limited to, age, ancestry, colour, citizenship, creed, culture, ethnic origin, family status, gender, gender identity, gender expression, immigration status, language, marital status, physical and intellectual ability, place of origin, race, racial identity, sex, sexual orientation, and socio-economic status.

- 2.5.    **Equity** refers to fairness of treatment and processes by the removal of systemic barriers, disparity and disproportionality between groups, using extra and positive measures to bring about equal access to opportunities and benefits in society. It does not mean treating everyone the same.

- 2.6. **Hiring** means the process for selecting candidates for available positions, including all stages from setting job requirements to the recruitment, application, screening and selection processes. The selection process may include multiple sources and methods such as interviews, written assignments and references.

- 2.9. **Special Program** refers to the special measures permitted under the Ontario Human Rights Code to help create opportunities for people who experience discrimination, inequality, hardship or economic disadvantage. The Code also protects these programs from attack by people who do not experience the same disadvantage.  
To be a special program, the program must meet one of the following conditions:
  - a) It relieves hardship or economic disadvantage, or
  - b) It helps disadvantaged people or groups to achieve, or try to achieve, equal opportunity, or
  - c) It helps eliminate discrimination.

### 3.0 GUIDING PRINCIPLES

- 3.1. It is the policy of the Board to commit to excellence in education and use equity to achieve equal outcomes for all students.
- 3.2. The Board upholds fairness, equity, and inclusion as essential principles governing its human resources systems and practices, and as key determinants of its learning and working environments in which all students, staff and families have a sense of belonging.
- 3.3. The Board believes it is critical to have a well-prepared, diverse, and qualified workforce with the knowledge, skills, and attributes needed to ensure students reach their full potential.
- 3.4. The District is committed to the development and implementation of fair, consistent, transparent and equitable practices and procedures for recruitment, hiring and promotion for all positions to improve the ability to achieve and maintain a strong and diverse workforce.
- 3.5. The OCDSB recognizes the positive effect on the educational experiences and outcomes of historically underserved students when staff from separate employee groups and across all levels of the organization reflect their identities.

## 4.0 SPECIFIC DIRECTIVES

- 4.1. The OCDSB workforce, including within separate employee groups and across all levels of the organization, shall increasingly reflect the diversity of the school communities being served by the District.
- 4.2. The OCDSB expects all staff in its employ to demonstrate capacity to understand and respond to the diverse lived experiences of students and families, and to implement strategies to support equitable and meaningful education that reflect diversity for all students.
- 4.3. The OCDSB expects all system and school leaders to model actions to enhance equity and inclusion of historically disadvantaged identities protected under the *Ontario Human Rights Code* as an essential leadership competency.
- 4.4. The principles found in the *Ontario Human Rights Code* and the *Accessibility for Ontarians with Disabilities Act* shall guide and set the minimum standards for the recruitment, hiring, employment, retention and promotion of staff.
- 4.5. All applicants for positions within the District shall experience equitable employment systems processes including recruitment, hiring, and promotion. These processes shall be accessible, fair, consistent, and transparent, regardless of the position.
- 4.6. Hiring decisions must be based on providing the best possible education program for all students while ensuring student safety and well-being.
- 4.7. All human resource processes will be conducted within the parameters of Collective Agreements and established Terms and Conditions, where applicable. In the event of a conflict between this policy and the collective agreement, the collective agreement will prevail, except insofar as any conflict with the *Ontario Human Rights Code*, then the Code prevails.
- 4.8. The Director of Education shall develop and implement equitable recruitment and selection procedures. Such procedures shall be based on and include the elements listed below.
  - a) Diversity, Equity, and Human Rights

The promotion of Indigenous rights and broader human rights and equity is vital to achieving a diverse and representative workforce to meet the needs of an increasingly diverse student body. The way to achieve a diverse and representative workforce is to:

    - i. ensure all employment policies, procedures, and practices are non-discriminatory;
    - ii. intentionally identify and remove barriers for Indigenous peoples and historically disadvantaged groups at each stage of the employment systems process including recruitment, hiring, retention, and promotions.

b) Qualifications and Merit

While adhering to the qualification requirements set out in Regulation 298, “Operation of Schools – General”, the importance of the following factors will also be considered when establishing selection and evaluation criteria for recruitment, hiring, employment, retention and promotion processes:

- i. valuing applicants' demonstrated experience and commitment to creating a safe, inclusive, equitable, accessible, and high-quality learning environment;
- ii. valuing applicants' additional experiences, lived experiences, skills, backgrounds, perspectives and work experience, including, for example, the unique perspectives of graduates from Indigenous communities or historically disadvantaged communities or the ability to speak other languages in addition to English and French;
- iii. promoting the recruitment, hiring, employment, retention and promotion of staff from under-represented and historically disadvantaged groups;
- iv. providing the best possible program for all students, by considering applicants' experience or time spent in a particular school and/or department and suitability for a particular assignment and/or role; and
- v. responding to local needs based on clearly defined criteria, including additional qualifications.

c) Employment Mobility

Recruitment and hiring procedures will support and facilitate employment mobility by permitting applicants who have relocated from other jurisdictions to apply and be fairly considered for any positions for which they are qualified.

d) Fairness and Transparency

To help ensure that candidates are evaluated through a fair, equitable and transparent process, hiring procedures shall include:

- i. a conflict of interest disclosure policy and process, and clear steps to avoid nepotism, cronyism, or other forms of favouritism;
- ii. a process for ensuring adherence to the bona fide (or “legitimate”) job requirements and qualifications through the hiring and promotion process;
- iii. a process and criteria for all aspects of recruitment and hiring, including setting job requirements, postings, outreach strategies to reach a diverse pool of candidates, screening, interviewing and selection;
- iv. expectations for diverse hiring panels, where possible, to draw on the lived experiences, skill sets, and educational and professional backgrounds in the Board;
- v. objective criteria for evaluating candidates based on more than one source;
- vi. provisions for structured evaluation criteria, questions and tools that prevent selection bias;

- vii. a process for providing accommodation based on needs related to the Human Rights Code;
- viii. a process for providing feedback for candidates, upon request; and
- ix. a process for the disclosure of information to the appropriate bargaining units.

#### Monitoring and Evaluation

- 4.9. In demonstration of its commitment to accountability for equitable employment practices and guided by the obligations under the *Ontario Human Rights Code*, and *Ontario's Anti-Racism Act*, the Board will monitor, evaluate and review the effectiveness of its hiring policy on a regular basis.
- 4.10. The evaluation of this policy will include:
- a) assessing the skills, equity and human rights competencies of the District's workforce and identifying any gaps;
  - b) developing and implementing an appropriate response plan to ameliorate the identified gaps;
  - c) collecting voluntary workforce demographic data, determining the diversity of the workforce and identifying any gaps in representation;
  - d) developing and implementing an appropriate strategy to support the enhancement of diverse representation across all levels of the workforce; and
  - e) ensuring employment systems, policies, procedures and practices are non-discriminatory.

#### Special Programs

- 4.11. The Board reserves the right to implement a special program, as permitted under the *Ontario Human Rights Code*, where it has determined that specific historically disadvantaged communities are demonstrably underrepresented within the Board's workforce or where it has been determined that such a program is necessary to meet the needs of students who are members of historically disadvantaged communities.
